

## 2011 Brisbane Royal Show

The 2011 "EKKA" in August was well supported by Square Meaters breeders.

Three purebred steers were exhibited, all were in the 401kg to 430kg class and all three catching the judges eye. The class had 28 entrants and two Square Meaters made the front line in the Led Section and in the Carcass Section Earle Powells steer by "Liath Atholl Galashiels" was placed 2nd. with a carcass score of 93, while Jo van Eltens steer by "Cluskers Aussie Battler" was 5th with a carcass score of 89.

The Square Meaters stud judging began on an embarrassing note for the R.N.A. with the designated judge failing to appear and the Brangus judge Michael Delroy (a Brahman & Brangus breeder) stepping in on very short notice. There were 18 animals presented for his assessment exhibited by 8 studs. Three of these studs "Brumby Dawns" (Greg & Jo Vine from Roma), "Top Hat" (Jodie Lenz from Westwood / Rockhampton) and "Walla" (Peter Voss from Cornubia) were all first time R.N.A. exhibitors. The other five studs were "Warrill Creek" (Bevan & Dawn Voight from Purga), "Rosellinos" (Eric & Marlene Ross from Carbrook), "Earles" (Earle Powell from Mt Gravatt) , "Wy-Knot" (Maurice & Shirley Lenz from Westwood / Rockhampton) and "Vesco" (Jo van Elten from Prenzlau). The Judging was well supported by interested spectators and there were many enquiries at the Square Meaters site in the cattle pavilion during the course of the show.
