

SANDSTONE ESTATE SUPER SUNDAY

Our first Super Sunday was held on 31st of October and was a great success. On display was our herd of 15 cows, 13 calves and 2 bulls. The bulls and the cows and calves for sale were in the cattle yards and the remainder were close by for viewing. We were extremely pleased with the number of people who attended. All showed a very high level of interested in the breed and made very favourable comments about our cattle.

The support provided by the society for the Super Square Sunday promotion was excellent and many of those attending commented on the eye catching flyers which resulted in their attendance and also the high quality information provided in the show bags.

The final outcome of the day resulted in us selling five cows and two calves and many potential future sales. We are already making plans for a 2011 Super Sunday and would encourage any members thinking about participating "giving it a go" and promoting Square Meaters.
