Welcome to all Exhibitors,

The Heritage Toowoomba Royal Show is very near & I would like to thank all of the exhibitors of the 2011 Show for their co-operation that made everything run smoothly.

There are some things that must be brought to your attention. The first being prizemoney will not be sent via cheque anymore – you will be able to collect a prizemoney payout sheet from the Beef office after 2pm Saturday 31<sup>st</sup> March & you can collect your prizemoney from the payout office at the Main Administration building ( back of the main grandstand ).

The other issue we seem to be having is with passes. The passes rate is listed in the schedule & will be enforced. You will be able to buy extra passes if needed. All passes must be presented at the gate – **no pass, no entry.** *All schools read this section carefully.*

The entry fee is now all inclusive which means animal, bedding etc is under the one entry fee, but catalogues are still an extra \$7.00.

Attention to all fitters – you *must* ensure you let me know 2 weeks before the show who you are fitting for & numbers, to ensure all your cattle are together. My email address is [ckcollins6@bigpond.com](mailto:ckcollins6@bigpond.com) – just put subject as “Fitting for 2012 Show “ – this email is to be used for fitters **ONLY**. All other enquiries please call my mobile on 0418 153 252.

I am looking forward to seeing you at the 2012 Show.

**Bullying is an issue in many sports today.**

**The RASQ Committee wants members, organizers and officials to know that bullying is not acceptable at any RASQ Committee events.**

## **Respect**

Every official, competitor and helper has the right to be treated with dignity and respect. The RASQ Committee has a responsibility to ensure this occurs at our events. The RASQ Committee can only discipline the appropriate person/s if intimidation is reported. We encourage any person who feels they have been bullied to report it in writing to the RASQ Committee or Section Head Chief Steward.

- Reports will be handled promptly and confidentially
- Disciplinary action will be taken against those who have bullied others at events run under the auspices of the RASQ Committee

## **What is Bullying?**

Bullying is any inappropriate behaviour using force or power. Bullying undermines another person's self-esteem and confidence. It may be a one-off or may be repeated incidents:

Disparaging remarks; Name-calling ; Public criticism; Smirking; Verbal abuse; Harassment; Written abuse; Swearing

Threats ; socially excluding people ; Shouting, Spreading rumours and innuendo; Sarcasm; Throwing papers etc down/around; Belittling

**None of this is ever acceptable please report it to a RASQ Committee official or Chief Steward.**

**Being uptight at a competition is no excuse for bad behaviour.**

## **What is the cost of Bullying?**

**Bullying is not confined to the school yard. It costs Australians an estimated \$12 billion a year.**

- 1 in 3 people quit work because of bullying (UK data)
- Bullying may make officials, competitors and sponsors leave our sport

**Without our volunteer judges, organizers and officials, there would be no competitions.**

## **Why do people Bully?**

Those who can, do .... Those who can't bully. The more inadequate the person, the more they bully

- Bullies blame others for their problems
- Some bully when they are overloaded and not coping
- Some are just socially inept

## **How do I handle a bully?**

1. Stay calm. If necessary, tell the intimidator that you will not continue the conversation until you have a second official with you (walk away if you have to).
2. Stay polite. Inform the intimidator that the RASQ Committee wishes people at events to report inappropriate behaviour.
3. Make a note of the following details as soon as possible.
  - a) Name or neck card number or exhibitors number, (ask them to provide their name if you don't know it)
  - b) Time and date

c) Others present

4. Put a brief written report in to the RASQ Committee or Section Chief Steward so the matter can be handled formally

**We need the knowledge and experience of our volunteers.**

**We cannot afford to lose good people through bad behaviour.**

### **Who are bullies?**

People in authority can victimize people with less power. They are often charming to those they are not bullying, which can make it even more difficult for their victims to complain. Some are clever, competent sophisticated manipulators who enjoy dominating and humiliating others. They like to see their victims squirm.

### **Who do bullies target?**

- Bullies often target people who have made a mistake. We all occasionally make mistakes. Exhibitors do, officials do, and judges do.
- Bullies often attack people who are victims – the ‘blame the victim’ syndrome
- For example, an organizer gets abused when a computer, P.A., printer or photocopier breaks down, or weather conditions are not the best, things may not be in the right place.

### **How do bullies respond when challenged?**

- Deny it
- Blame others
- Claim victimization if they are challenged
- Rationalise to explain their bad behaviour

### **How do we eliminate bullying?**

- Have a clear policy – bullying is unacceptable
- Define what is bullying and why it is unacceptable
- Encourage riders or officials who are being bullied to report it – providing support and confidentiality
- Appoint committee members to discipline bullies

### **Did you know?**

#### **In Criminal Law:**

**Assault = threatening behaviour, intimidation, bullying**

**Battery = physical attack**

### **Steps the RASQ Committee may take**

Every time a bully gets away with this behaviour, it is a signal to him or her that the organization thinks it is acceptable. When unacceptable behaviour is reported to the RASQ Committee, the committee can:

1. Send a letter to the bully to arrange a meeting with representatives from the RASQ Committee or Section Chief Steward.
2. Issue the bully with a written warning, which will remain on file
3. Suspend the bully from competing at RASQ Committee events for a period of time if in the judgement of the RASQ Committee the incident merits it, or if further incidents occur.

### Square Meaters Feature Show and Sale

The Square Meaters breed has now been in existence for some 15 years. Originally established to meet the demand for quality beef for the domestic and high- end restaurant / table beef sector, the breed is now regularly proving a winner in hoof and hook competitions Australia wide. This is good news for Square Meaters breeders, as the focus of the breed is- as it should be - on the end product, that is the highest eating quality restaurant./ table beef served to today's savvy customers in smaller more suitable portion sizes. The Square Meaters explosive early growth leading to high productivity and turnover gives the breed the ability to have the critical fat and muscle requirements for slaughter at an early age. Square Meaters cattle have the same criteria for structure and fertility indicators as other breeds however the early growth and ability to finish at an early age ensures the Square Meaters market success and gives beef breeders the opportunity to enjoy early maturity pattern, easy keeping, productive and profitable herds. In order to showcase this Australian Beef Breed, The Square Meaters Cattle Association of Australia is holding a Feature Show and Sale in conjunction with the Toowoomba 2012 RAS, on the 29<sup>th</sup>, 30<sup>th</sup> & 31<sup>st</sup> March.

The Association is providing in excess of \$7000 of additional sponsorship to assist and encourage Square Meaters Breeders from interstate to participate. The Show Schedule will provide for extra group classes and a special Square Meaters Led Steer Class, all animals are required to be nominated in the general RAS Schedule Classes.

Steer Judging will commence at 11am on Thursday the 29<sup>th</sup> of March and the judging of Square Meaters at 8.30am on Friday 30<sup>th</sup> March, followed by the AGM of the Square Meaters Cattle Association at 1pm.

A Sale of Stud Cattle will be held following the above events, commencing at 6pm. The offering will comprise of Serviceable aged bulls, females of varying ages and Semen packages. This gives forward thinking graziers a chance to inspect and invest in this extremely productive and profitable breed.

The Association will be hosting a Dinner for members, supporters and interested personal on Thursday 29<sup>th</sup> March at 7pm. Booking are required and any further information about the show, sale or dinner can be obtained by contacting, Secretary, Mrs Cheryl Mott 02 9834 4322 or squaremeaters@bigpond.com
